In the Hoop Crossbody Bag

Sept 24, Wed OR Sept 26, Fri, 10:00 am - 1:00 pm

Instructor: Tracy Dally

This useful Crossbody Bag will be made entirely in the embroidery hoop. It comes in four different quilted designs: diamond, vertical, square, stipple and a finished size 5.6" W x 8" H. The files for each quilted design have separate files for #3 and #5 zippers. In class we will be using the #3 size zippers that will be included in a kit. The inside is fully lined and added tabs with "D" rings for the long strap to attach using swivel clasp hooks.

The minimum size hoop required is 6" x 10". The design collection must be purchased from "Creative Applique", which is a downloaded digital file. If you need help, please let me know. This is an intermediate level project.
