Elegant Lantern Supply List
June 24 or 26, 2026, 10 am – 1 pm
Instructor: Tracy Dally

We will create an elegant lantern for special occasions or holidays that will add warmth to your home. The design is created by embroidering on organza and adhesive wash-away stabilizer using variegated and coordinating solid color threads. A coordinating fabric will be sewn to the bottom for extra support and then seam it together to create a circular shape. After the project is soaked to remove the stabilizer, it will be placed on the acrylic cylinder and fairy lights will be added to enhance the overall aesthetic of the lantern.

Join us on this creative journey as we bring light and beauty into your space with our elegant lanterns.

***A kit will be available for purchase at the time of class. Includes: One 6-inch Acrylic Cylinder Straight Vase, Two yards of Adhesive Wash-away Stabilizer, and Fairy Lights. Kit Fee \$14.00.

You Will Need – Please carefully read and check the list below.
