Towel Thieves Supply List
October 21 or 23, 2026, 10 am – 1 pm
Instructor: Tracy Dally

These towel thieves are so cute to make and would make a great addition to the household or sell at a craft show. In class, you will learn how to hoop the towel for placement and when the towel is folded to create the holding of the towel section during the embroidery of the design.

The designs can be purchased from [Artapli Embroidery Designs](#). When you register and pay for class, I will send you a 20% discount code to be used on a one time purchase for as many designs as you wish to purchase through October 31, 2026.

If you have any questions, please give me a call at the store.
